

## Възможностите на SmartArt графики за онагледяване по английски език

SmartArt графики от Office 2007 и 2010 дават големи възможности за онагледяване. Тук ще илюстрираме няколко примера за онагледяване по английски език в начален етап на обучение.

Стъпки за направа на графика insert - smartart – layout – style – change color.

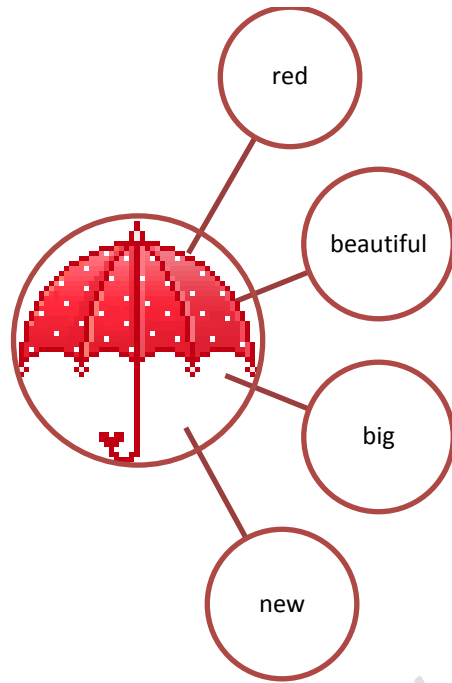

За да изберем типа изглед е много важно да сме наясно какво искаме да представим.
